

# **Service Registration of Residence**

## **Registration of a residence in the University and Hanseatic City of Greifswald**

If you move into a residence in the University and Hanseatic City of Greifswald and keep it for more than three months, you need to register at the Department for Resident Registration (Einwohnermeldewesen) of the Office for Citizens' Services and Fire Protection (Amt für Bürgerservice und Brandschutz) in the Town Hall (Stadthaus), Markt 15.

Please bring your passport and confirmation of accommodation (Wohnungsgeberbestätigung - German website, PDF). If family members (spouses and children) move into the residence too, their passports are also needed.
